- Life to 50% failures EM : 1000 hr

Our environmental product specifications overview

At Philips, we strive to make the world healthier and more sustainable through innovation. Our sustainability efforts are globally recognised and reflected, e.g. by our continuous leading positions global rankings like the Dow Jones Sustainability Index and the Carbon Disclosure Project. In our eco-design process we focus on Energy, Weight, Recycling, Packaging, Substances and Reliability to view and further improve the environmental performance of our products.
