

Nitro Portable SSD (40 Gbps)

Available in 2TB / 4TB / 8TB

Powered by the latest USB4 interface, Exascend's Nitro Portable SSD delivers up to 40 Gbps extreme performance. Certified IP68, it is rugged and durable, completely waterproof and dustproof, ideal for on-the-go creatives. Lanyard hole design allows a keychain or carabiner to be attached to the SSD for easy access and transportation.

MAXIMUM READ: 3,100 MB/S
MAXIMUM WRITE: 3,000 MB/S

SUSTAINED READ: 3,100 MB/S
SUSTAINED WRITE: 3,000 MB/S

40 Gbps performance

Extreme next-generation USB4 performance with up to 3,100 MB/s read and 3,000 MB/s write.

Rugged and durable

IP68-certified against water and particles – completely dustproof and can withstand continuous immersion in water.

Ideal for on the go

Attach a keychain or carabiner to be attached to the SSD for easy access and transportation.
